MGMCABT/739/2022
Date: 22.11.2022

CIRCULAR

The Mid Term Examination of III (New) and V (New) semesters of B.Tech (Biotechnology) is scheduled from **28.11.2022 to 07.12.2022**. **All the Course teachers and teaching staff members** are hereby informed to follow the following guidelines. The schedule of examination is attached for ready reference.

1. The course teacher should submit hard copy of question paper at least two days before schedule of examination.
2. The question paper should be of 10 marks for 1+1/1+0, 20 Marks for 2+1/2+0 AND 30 marks FOR 3+0 course. It should include Section "A" for at least eighty percentage weightage. Section "A" should have subjective questions.
3. Section B" should be of 20 percentage weightage and it should include objective type questions viz. Definitions, fill in the blanks, match the pairs, define, true or false, do as directed etc. Make all question from section B compulsory
4. Thoroughly check question paper and make necessary corrections suggested by examination section. Format will be provided by examination section for question paper setting if necessary.
5. After completion of examination immediately collect solved answer papers from examination section. Check, declare result and submit to examination section within seven days from end of mid term examination.
